

ORAK SHKINERS WILL RUN WILD TOMORROW

THE LAKE COUNTY TIMES

VOL. XIV, NO. 71

FRIDAY, SEPTEMBER 10, 1920.

HAMMOND, INDIANA

ENORMOUS SURPRISES PLANNED

Most Spectacular Parade Lake County Has Ever Seen To Be Given

Half past one o'clock tomorrow is the hour.

Promptly, on the second, Lake county's greatest parade of hitherto will be turned loose. The parade, taking the offensive and the public will pack Harrison Park, taken off their feet by scores of surprises in rapid succession, will captivate all eyes.

Tomorrow is the big day. The parade, nothing else of importance will be done in the Calumet region.

ALL WILL BE THERE

Gary, East Chicago, Whiting and Crown Point have planned all business with the aim of being in Hammond on Saturday to watch their favorite perform in what is being advertised as the most stupendous, sensational and surprisingly side-splitting parade of the season.

It all starts with a parade, of course, or maybe it is a pageant. From the Masonic Temple on Muncie Court to the spectacular procession will wind its way through the streets of the city and finally wind up at Harrison Park.

Folk will be given a hint of what is to follow. In the parade will be the crack patrol and drum and bugle corps which has made Orak famous throughout the land. Then will follow the musical artists, the contending baseball teams, the glowering weather, heavily guarded to prevent hostilities before the proper time, the trained monkeys trailing behind, the Kasper, the musical entertainers and others in carriages and on foot.

WATCH FOR SURPRISES

The parade reaches the park trucks, followed by automobiles, will have provided them bearing mysterious burdens which will be kept secret from the crowd until the time is ripe. These will be the "surprises." Part of these "surprises" will be kept locked up purely because of the secrecy; others must be restrained because they have been shanghaied and would otherwise escape.

STUNTS START AT 2 P. M.

Stunts start at the park at 2 o'clock and happen regularly from then on until the final surprise late in the evening. Numerous refreshment booths have been erected on the grounds to take care of the hungry ones, so that there will be no necessity of missing anything.

Practically every city in Orak's territory will be represented.

(Continued on page nine.)

SHRINERS ATTENTION!

Every member of Orak Temple in the Calumet district is urgently requested to be present at the Temple, Saturday afternoon, Sept. 11th at 1:30 o'clock with fee. We must have more than a parade, which will be operated by a committee. The Temple at 1:30 and every member of Orak Temple is expected to be in the parade with his fee.

Ball players will report to Mel Monnett at 1:00 o'clock at the Temple. The large tent adjoining the ball stand in Park will be committee headquarters and dressing rooms for special events. All Nobles taking part in the program will report to Harry Margenau at headquarters for time of their stunts. Plans are now complete but we must have more help from individual Nobles who have not yet been assigned for any particular work and we want every member of the Temple who can do so, to be here for the parade at 1:15 p. m.

INDIANA QUOTA NOW UNDER FIRE

[INTERNATIONAL NEWS SERVICE]

CHICAGO, Sept. 10.—The senate subcommittee investigating Gov. Cox's \$100,000 "slush fund" charges today resumed its inquiry into the "campaign quotas" of the various states, taking up the Indiana quota.

John G. Bryson, chairman of the republican committee and means committee of Indiana, told the committee national Treasurer Fred W. Upham, of the republican national committee, had placed Indiana's quota for the republican fund at \$100,000.

Questioned by Chairman Kenyon, of the committee as to whether Indiana was assessed county quotas Bryson testified he had seen no list of Indiana quotas by counties, but had seen an assessment of quotas by districts. This list, he said, was a republican headquarters at Indianapolis.

Questioned again as to just what the Indiana state fund was to be Bryson told the committee his organization was to "raise whatever we could."

"No limit at all," said Senator Kenyon.

"Whatever was necessary to carry on the campaign," Bryson replied.

Bryson testified that approximately \$300,000 had been raised in Indiana for the state campaign fund, making \$300,000 in all for republican campaign purposes in his state.

GOV. COX NOW IN SPOKANE, WASH.

[STAFF CORRESPONDENT I. N. SERVICE]

SPOKANE, Wash., Sept. 10.—"Convinced that his two days' stumping tour of Montana will result in the addition of the state's four electoral votes to the democratic total in November, Gov. James M. Cox arrived here this morning from Butte, and immediately started upon another two days of strenuous speech-making which local democratic leaders predict will clinch the state of Washington.

G. O. P. COUNTY CAMPAIGN STARTS WITH BANG SEPT. 18

MONSTER MASS MEETING IS ARRANGED

Big Guns of Party Coming To Gary; Chairman Killgrew Announces Plans

The Republicans of Lake County and Tenth Congressional District, women and men will formally open their campaign on Saturday afternoon, September 18th, in Gary.

County Chairman, John Killgrew today made known the Central Committee's plans to hold a monster mass meeting in east Side Park at 8:30 and Massachusetts streets in the City of Gary, on Saturday afternoon, September 18th, at 2:30 o'clock (new time). For this occasion the committee has secured Republican leaders of Indiana.

SEN. WATSON TO BE PRESENT

One of the most able orators and statesmen of the day, Senator James E. Watson, the Junior United States Senator from Indiana will be the principal speaker of the occasion. Sen. Watson is a candidate for reelection upon the Republican ticket this fall. He is coming to the great industrial Calumet region to talk to the workmen and women and to carry to them his message of Republicanism. He is present to them his views on the great questions of absorbing interest now confronting the American people. He says that he will fully expound the cause and cure for the high cost of living now existing in America. He intends to expound to the electorate the great danger that lies secretly hidden in the League of Nations covenant. He expects to expound to the people of the Calumet region the principles and planks of the Republican Platform, the application of which by a Republican Administration will best promote the future welfare of the republic.

CONG. W. R. WOOD TO BE PRESENT

County Chairman Killgrew today received word from Congressman Will Wood of the Tenth Congressional District that he will welcome this opportunity to place before the voters of the Northern part of his district a record of his last Republican Administration of Congress, a Congress that has done much to bring this government back to the Constitution, in spite of the fact that it was handicapped by the veto power of the Democratic Chief Executive. Congressman Wood intends to show the people the economy in the administration of Government accomplished by the guiding genius of the Republican Party which it obtained control of both branches of Congress.

GARY CONCERN IS MADE A DEFENDANT

John Lincoln and Alexander Elipoulos, proprietors of the Orphan Candy Kitchen of Gary, were today made defendants in a suit to collect money said to be due on a consignment of sugar which was delivered to them June 14.

There were 50 bags in the shipment for which the defendants had agreed to pay the Leventon-Harris company of Chicago \$14.25. This would be at the rate of 28¢ cents per pound. No details are given in the complaint which was filed by Attorney C. R. Tinkham in the Hammond superior court, but as the price of sugar has slipped down to 15 cents since the delivery was made, the cause of the slowness of the candy makers in paying their bill is apparent.

A LUCKY MOTOR CAR ACCIDENT

A party of East Chicago people had a narrow escape from injury yesterday afternoon when the Ford automobile in which they were riding turned turtle and pinned all five occupants of the car underneath. By some lucky chance none of the five were seriously injured although all suffered bruises and scratches.

Mr. and Mrs. Jack Melamet of 5019 Macoun avenue and Mrs. Jacob Feldman of 4514 Wagon avenue with two children had driven into Chicago and were on their way back at the time of the accident. When they had reached a point between 15th and 18th street on Michigan avenue their machine received a bump, presumably from another machine and turned completely over. The occupants of the car were pinned underneath until passersby righted the machine and released them. The machine, which caused the accident passed on without any one getting the number.

Mrs. Melamet received quite serious bruises, but is able to be around and the others received lesser scratches and bumps. The machine was badly damaged.

Attention Democrats!

All interested workers are urged to attend the opening of our new headquarters in the New Hotel, Friday, Sept. 10th, at 8:00 p. m. in Hammond.

Banker's Girl Dons Overalls Runs Away

[INTERNATIONAL NEWS SERVICE]

INDIANAPOLIS, Ind., Sept. 10.—Mrs. Stoughton A. Fletcher, wife of a millionaire banker and manufacturer of Indianapolis today, hurried to Boston to direct the search for the couple's seventeen year old daughter, Louise, who disappeared from a summer colony near Gloucester, Mass., after clipping her hair and donning overalls.

Although branding his daughter's disappearance a "girl's prank" and "an accident" that would develop into nothing more serious than a "two days wonder," Mr. Fletcher, who was in Indianapolis today, was plainly alarmed. The father expressed to the International News Service the hope that the missing girl may have planned only a "stark" in company with other students of an artists colony at Grapevine Cove. At the same time, however, he admitted the girl's mother was deeply agitated by the episode.

Miss Fletcher, her father explained, is an "outdoor" girl and has had free way at the beautiful Fletcher estate near Indianapolis.

The girl and her mother had been spending the summer at the little cottage at Grapevine Cove, and when Mrs. Fletcher returned to Indianapolis recently the girl was left in the care of a governess. It had been planned to remain at the Massachusetts colony until late in the fall, when Miss Fletcher was to depart for New York to start a school. She formerly attended finishing school in Washington, D. C.

DORY IS MISSING

Police this afternoon said they feared Miss Laura S. Fletcher, 17 year old heiress to the millions of Stoughton A. Fletcher, banker, manufacturer and horse breeder of Indianapolis, had put out to sea in an open boat. Discovery was made, they said, that a white painted dory was missing from the wharf near where the girl clipped her hair, donned overalls and started away with a pair of oars.

Despite a heavy fall of rain today the sea was calm. Searchers were combing the waters of Cape Ann for some trace of the craft.

[SPECIAL TO THE TIMES]

CROWN POINT, IND., Sept. 10.—Attorneys Charles Surridge and Newton Hemmoff were in Crown Point on Wednesday relative to the two cases filed on that day entitled George Argo vs. Albert Pack et al. and Charles L. Surridge vs. Mr. Pack. Surridge through kindness and without any remuneration whatever has acted as guardian for the minor heirs of Mrs. Lillie Argo who was killed by the Pack machine in July, as she was coming from her work at the Reid Murdoch plant. The complaint filed asked for \$5,000 damages. They were settled on Wednesday, Judge Norton giving a judgment of \$1,000 and \$300 respectively which also satisfied. In addition to this Mr. Pack has provided for the children, giving to Katherine aged 13, \$1,138.45; Eloise \$1,423.84; Velma, aged 13, \$259.92 and Thenneth who is 13 in the United States army at Camp Benning, Ga., \$100. The above amounts total about 20 per month for each child until they are 18 years of age. Mr. Surridge had the two year old child in his home at present. He wishes to find a home for Velma, who is 13 years old and a bright, attractive girl and would be a great comfort to some childless home. In addition to the above Mr. Pack paid all the funeral expenses, gave \$300 for clothing for the girls. In all he has paid out \$2,000, hoping to atone as far as possible for the terrible accident. Mr. Surridge has acted as guardian for the children since Mrs. Argo's death and much credit is due him for the kindly interest he has taken in the affair. Not even acquainted with the Argo family prior to the accident, George Argo, of Monticello, Ill., the father, has signed over all his right in the judgment to Surridge as guardian.

COUNTY COUNCIL MAKES ITS APPROPRIATIONS

30 Voting Machines Expected to Reach Crown Point Shortly.

CROWN POINT, IND., Sept. 10.—The County Council which has been in session for two days will conclude its session today, the question of making some appropriation for the thirty voting machines which will reach Crown Point shortly is the problem that has kept the council in session longer than usual. A \$20,000 bond issue had been issued for the machines, but owing to only paying 3 per cent interest the bonds could not be disposed of. Whether to cancel this bond issue and issue one with a greater per cent or appropriate \$20,000 out of the county revenue to pay for the machines is the question that will confront the council today. The appropriated \$453,315.30 to finance Lake county for the new year. This includes all expenses of saloons, offices, courts, county institutions, elections and all expense of whatever nature that Lake county incurred during the coming year.

DEATH CLAIMS THEODORE BRUSEL

Popular High School Boy Succumbs After a Long Illness This Morning.

Hammond was terribly shocked today to hear of the death of Ted Brusel which occurred this morning at 8 o'clock after a long illness. Ted, Hawthorne, pastor of St. Paul's Episcopal church, wife of the occurrence as follows:

"FAITHFUL UNTO DEATH"

"This is the superscription that may be placed upon the tomb of Theodore Arthur Brusel or as he was better known by his friends and the young son of Mr. and Mrs. Jacob H. Brusel of 216 Indiana ave., Hammond, Ind., who was called early Friday morning to the Paradise of God. He being dead yet speaketh in future generations by his consecrated life to God and his honor to man.

"In May of this year he was stricken with scarlet fever but recovered sufficiently to permit him to graduate last June with the high school class of 1919 of which he was a member. Loving hearts and hands have ministered to him since. It became known that acute lymphatic leukemia had taken hold of his young life and supplanted away. Everything known to medical science was done for him and his oldest brother, Earl, giving the blood for two transfusions but God called him to the realms of the departed dead and his family the faith in which they have trained themselves to meet such supreme issues of life in perfect resignation to the Divine command say, "Thy Will be done."

Theodore Arthur Brusel was born in Amesbury, Texas, March 12, 1901. Moved with his parents to Hammond in 1904. Was a member of the class of 1919 Hammond Industrial school. Served with untiring zeal and consecration in the choir of St. Paul's Episcopal church for ten years. Was confirmed with the class of 1916 in St. Paul's church under the present rectorship and ever lived true to the truth that he knew by faithful communicating at God's Altar thus proving himself in very deed a "Communicant in good standing." His words addressed to the "Boys' Club" of the church ring clear today as he dared to claim that he needed religion in his life.

He is survived by father and mother, two brothers, Jacob L. and Earl L. and a sister, Ruth Marie.

The burial in charge of Chas. H. Stewart, will be from St. Paul's church Saturday at 4:00 o'clock and the committal at Oak Hill cemetery by his rector, Rev. W. J. Hawthorne, and his friends of the choir will chant the notes of triumphant victory as this dear life leaves for the church militant to the Church at Rest.

DID GROCER SET FIRE TO PLACE?

State Fire Marshal Arrives Today to Investigate Fire in W. Hammond Store.

John Okeniewski, proprietor of a grocery and meat market at 102 1/2 North Place, Hammond, is being held by the police of the city. An investigation of the fire which was discovered at his store last night. The fire was of incendiary origin.

Officer William Welning discovered the fire as he was walking past the store at 3 o'clock this morning. The fire department was called and although the place was filled with dense smoke the flames were barely starting. Gas masks were used in entering the place where it was found that two small smudges had been started—one at each end of the room. Slow burning material had been used in starting the fire but kerosene had been poured over the shelves, the counters and floor of the room so that once the flames broke out the destruction of the building would be rapid. It is thought that lack of air had kept the flames from spreading for all of the windows and doors were closed.

Okeniewski appeared before the court about an hour after the fire was extinguished. He explained that he carried \$5,000 insurance on the place, but denied starting the fire himself. He was placed under arrest and held until investigation could be made by the state fire marshal. The fire marshal arrived at noon and is going into the matter thoroughly.

DAUGHTER OF PIONEER WILL WED SATURDAY

Mrs. Inez Gibson, one of the pioneer educators of Lake county, announces the wedding of her daughter, Miss Alberta Gibson to Albert Mikula, Miss Gibson resides with her mother at Tolleston. The wedding will take place Saturday at Crown Point. They will reside at 925 Cleveland avenue, Gary.

Much interest attaches to the wedding because of the fact that the bride's mother is known in practically all of the elder families of the county. Mrs. Gibson came to Tolleston in the fall of 1880. Before her marriage she taught school at Highland, Tolleston and Hessville. She continued in her school work for seven years after her marriage. She often relates her experiences while teaching her first school at Highland, when the school house was located in a large tract of woods.

Joseph Paxton of South Bend, Ind., spent the past few days at the home of his brother, W. G. Paxton of South Hammond street.

NAGEL CAN'T VISIT HIS GARY RELATIVES

Friends Are Unsuccessful in Getting Their Request Granted.

[NEW YORK, Sept. 10.]—Friends of Alfred Nagel, whose exclusion from this country as secretary of the Latvian legion was affirmed by Washington authorities, were unsuccessful yesterday in requesting that Nagel and his wife be permitted to visit relatives in Gary, Ind. The reason for asking temporary release of Mr. and Mrs. Nagel from Ellis Island is that Mrs. Nagel is soon to become a mother.

Tomorrow the request will be repeated at Washington by a delegation of Latvian residents at the Immigration bureau and the state department. Ira Nelson Morris, United States minister to Sweden, claimed as a friend by Nagel, already has sent several telegrams to Washington asking that the concession be made. Nagel said:

COURT TAKES ACTION IN BANDIT CASE

[VALPARAISO, IND., Sept. 10.]—The case against Bachelor Bros., including four alleged bandits, who entered a bank at Tolleston and killed the cashier, came up before Judge Crumpler, in the superior court this morning, to give the accused men an opportunity of electing the county in which they wished to be tried. They refused to do so, after which a question of jurisdiction of the court came up, and some time was spent in arguing. It was contended that in a case of this kind, that had been remanded by the supreme court for a new trial, it was necessary to hold the trial in the court where the original sentence was imposed.

It looked for a time as though the four alleged bandits might be given their freedom over this technicality, but Judge Crumpler withheld making any decision, but will do so on Monday.

To provide against any emergency that might arise, the court ordered the sheriff to summon the grand jury to meet in session here Monday, so in case it is found necessary, no time will be lost in having a new indictment drawn by a Porter county grand jury.

POISON KILLS MOVIE STAR

[INTERNATIONAL NEWS SERVICE]

PARIS, Sept. 10.—Miss Olive Thomas, famous motion picture actress, died in the American hospital at Neuilly at 10 o'clock this morning of mercurial poisoning. Her husband, Jack Pickford, brother of Harry Pickford, was at the bedside.

Dr. Joseph Choate, an American physician, who attended Miss Thomas, made a hard, but futile, fight for her life. She died peacefully, apparently suffering neither body or mental anguish.

Miss Thomas swallowed a solution of alcoholic and bichloride of mercury several days ago. Her friends declared that the deadly poison had been taken by mistake and indignantly denied rumors that Miss Thomas had quarreled with her husband. Miss Thomas took the poison, thinking it was a sleeping potion.
